

REMARKS

STATUS OF THE CLAIMS

Claims 112-162 were pending in this application. Claims 112, 128, and 144 have been amended. Following entry of the amendments claims 112-162 will be pending and at issue.

SUPPORT FOR AMENDMENTS TO THE CLAIMS

Claims 112, 128, and 144 have been amended as shown above. Support can be found throughout the specification as filed, e.g., at least at page 2, paragraph 25 of the published application.

The amendments to the claims thus add no new matter and entry is respectfully requested. The amendments to the claims were made merely to further prosecution and should not be construed as abandonment or agreement with the examiner's position in the last Office Action.

EXAMINER INTERVIEW SUMMARY

On October 7, 2010, Examiners Krishnan and Maier and Applicant's representatives Kevin Evel-Kabler and Andrew Serafini discussed the claims as amended in the last Office Action response and the rejections in the last Office Action. The examiners indicated that the enablement rejection was overcome by the arguments made in the last Office Action response.

CONCLUSION

Withdrawal of the pending rejections and reconsideration of the claims are respectfully requested, and a notice of allowance is earnestly solicited. If the examiner has any questions concerning this response, the examiner is invited to telephone applicant's representative at (415) 875-2352.

Respectfully submitted,

Dated: October 15, 2010
